

ImageTrend Elite Clinical Release Notes

28May21

The GMR ImageTrend Support Team has released an update to the Elite System.

All iPads will need be connected to the internet and a Sync of All Resources (Settings/Sync All Resources) will have to be completed to receive the update.

For support, please utilize the GMR ImageTrend Support Site.

The following template changes were done for ease of crew data entry and application performance/functionality:

- 1. Destination Name is now above Destination Info under the Transport/Destination Info Section.

- 2. Base Call Sign is now above Aircraft Tail/Vehicle Number in the Unit & Crew Info Panel

A screenshot of the 'Unit & Crew Info' panel. It contains three input fields: 'Base Call Sign', 'Aircraft Tail/Vehicle Number', and 'Level of Care of This Unit'. The 'Base Call Sign' and 'Aircraft Tail/Vehicle Number' fields are dropdown menus with a red exclamation mark icon and a right-pointing chevron. The 'Level of Care of This Unit' field is a blue button labeled 'Critical Care'.

- 3. Crew Member ID is now above Crew Member Level in the Unit & Crew Info Panel

A screenshot of the 'Crew Members' dialog box. It features a '+ Add' button at the top left. Below it are three input fields: 'Crew Member ID', 'Crew Member Level', and 'Crew Member Role'. The 'Crew Member ID' and 'Crew Member Level' fields are dropdown menus with a red exclamation mark icon and a right-pointing chevron. The 'Crew Member Role' field has three buttons: 'Pilot', 'Primary Patient Caregiver-At Scene', and 'Primary Patient Caregiver-Transport'. The 'Primary Patient Caregiver-Transport' button is highlighted in blue. At the bottom right is an 'OK' button with a checkmark icon.
